Subject: East Waterway Anthropogenic Background Memorandum Final

Dear Duwamish and Harbor Island Interested Parties -- Attached is the EPA Approved Final Anthropogenic Background Evaluation for the East Waterway Operable Unit of the Harbor Island Superfund Site. A copy of this memorandum will be in EPA Region 10s Publicly Accessible Site File and will be available during the impending release of the East Waterway Proposed Plan that will present EPAs Proposed Remedy for clean-up of the East Waterway.

Should you have any questions, please feel free to contact me.

Regards,

Ravi
